

CHARITY/NOT-FOR-PROFIT INFORMATION AND APPLICATION FORM

100+ Women Who Care Sault Ste Marie is a group of women who care deeply about our community.

Our mission and our hope is to provide for those residents in greatest need.

We meet four times per year, aiming to raise \$10,000 at each meeting, with collective donations donated to one group per meeting. The group is chosen by the membership from among eligible groups.

In Sault Ste Marie, there are many micro charities and not-for-profits, which are volunteer-driven, with limited resources. At 100+ Women Who Care Sault Ste. Marie, we focus on these small, local, grassroots groups which operate on a shoestring budget, for whom a collective donation of \$10,000 would be very significant. We welcome all registered charities and not-for-profits to apply for consideration.

To be eligible for funds from 100+ Women Who Care SSM, the following criteria apply:

- **Your group must be a registered charity, foundation or not-for-profit with a registration number from the federal government;**
- **Your group must have been registered for at least 2 years;**
- **Your group is local, and volunteer-based with limited number of staff;**
- **All dollars must stay in Sault Ste. Marie;**
- **You must describe how dollars will be used;**
- **Funds cannot be used for infrastructure or salaries.**
